ing at the Christian Church, continued for two weeks largely attended and resulted in a large number of accessions to the church. Gilbert's discourses were effective and forcible, and he was heartily welcomed when he returns to Frank-

RHEA AS "YVONNE."

A Successful Performance Before a Large Audience.

The following is clipped from the Bradford Era:

Despite the insufferable heat which was kept many at home, a large and fashionable audience braved the discomforts of a crowded assemblage in order to see Rhea in a new play last evening, the opening of the dramatic season at the Opera House. The charming and gifted actress had no reason to complain of her reception, which from her initial entry until the curtain fell out on the stage for the last time, was of the heartiest description. Stimulated by such encouragement as the Rhea must have been in a new and almost untried play, she kept her audience closely in hand, and the result could hardly help proving equally satisfactory to both artist and audience. "Yvonne" is a highly emotional drama, and when this is said there is little more to be added concerning Rhea's fitness to assume the leading part. The action of the play turns upon the heroism and self-sacrifice of "Yvonne," who, in order to save her haughty and arrogant sister from the wrath of a aspiring husband bears the weight of disgrace upon her own shoulders, is ostracized, cast in prison for suspected robbery, is adopted by a philanthropic American doctor and finally returns to her home completely vindicated to the admiration of her treacherous relative, who meets with a violent death at the hands of a former lover who believed her to have been his ruin. The plot is indeed a complicated one, occasionally like most of the great character while a motive is elevating. The nobility and high spirit of the greatly wronged heroine are emphasized with the most successful effect. All of which were portrayed by Rhea with wonderful power. To many, one of the most pleasing attractions of the new play is the winning presence which always provokes admiration, is the exquisite modulation of her voice which is heightened by her French accent. Undoubtedly this new play has in it the elements of great success and will endure the crucial test of laborious criticism. The support appears to have been selected with "Yvonne" as the main attraction.

at the Opera House, beginning October 22, 1884.

The hay and supper given by the A. D. Club at Weitzel's hall Tuesday evening was a delightful affair. Snider's Band furnished the music.

FRANKFORT, SEPTEMBER 27, 1884.

The new Colored Public School building at the east end of Clinton street is rapidly approaching completion and will be ready for occupancy about the middle of October. The building is a handsome three-story brick, with twelve rooms in all, very similar in style of architecture to the White School building, and is quite an ornament to that part of the city. The walls will not be plastered, but calomined, the ceilings plastered and the floors decked so as to prevent noise from above disturbing those below. The grounds are being graded off and will be sodded, so that when completed the colored people will have a school building and grounds that will compare favorably with any in the State.

Mr. Otto Wheat and wife and Mrs. Ella Parrent and children visited relatives in Shelbyville last week.

Mr. H. H. Withers and family, of Bath county, spent last Monday night in this town, the guests of Oscar Roberts and family.

Mr. K. W. Wade has been awarded the contract for the erection of an additional building for the accommodation of the county paupers.

Mrs. Ann Mayhall left for Danville last Sunday, where she was summoned by the death of her brother-in-law, Mr. Martin McFerran.

The return game of base ball between Bridgeport and Clayville was played last Saturday on the grounds of the latter, resulting in a score of 25 to 23 in favor of Bridgeport.

Mr. R. W. Fox had the misfortune to have some foreign substance enter one of his eyes recently, from the effects of which he has suffered very much.

The Franklin County Teachers Association assembled in Frankfort Saturday, Sept. 20th, 1884; President Harrod in the chair. Minutes of previous meeting read and approved. Several additional teachers were present and enrolled as members of the Association. Select readings by Misses Ship and Bell. These young ladies acquitted themselves in a manner creditable in the highest degree. The subject, "are species in our schools beneficial?" was discussed pro and con, a majority of the teachers present favoring the affirmative. This subject is worthy the careful consideration of every teacher in the county. In consequence of the absence of a majority of these assistants to duty on the program the exercises were few. Miss Lullie Ward was appointed as one of the Committee on Programme in place of T. E. Uterback, who is necessarily compelled to be absent during the remainder of the year. Next meeting third Saturday in October, 1884.

Antioch.

Mr. William Polsgrove's infant child had a severe attack of diphtheria the latter part of last week.

Mr. Thomas McQuillen, of Polk county, Missouri, is visiting relatives and friends in this and other portions of the county.

Mr. Powell Moore and Misses Belle Moore and Susie Owens attended meeting at Grassy Springs Church last Sunday night.

The fashion wave struck Antioch heavy last Sunday. Several of our young ladies had on their little white "Capitol" bonnets.

Mr. William McQuillen and lady and Miss Mattie McQuillen visited friends and relatives in Woodford county the first of the week.

Miss America Penn returned home last Saturday, after several weeks' visit in Pleasureville. Her sister, Mrs. Jennie Ethington, came with her.

The lady teachers of the county take more interest in educational matters than the male teachers do, as shown by their attendance on all educational meetings, and the interest they take in

those meetings. They show by their actions that they have the entire heart and soul into the cause, while the males show just the opposite. Shame on the males. Not a single one of the male teachers that were down on the programme for the last meeting of the Teachers Association responded, not one of them present. Comment is unnecessary.

There will be a series of meetings at Grassy Springs church, conducted by Eld. J. W. Lomber, of Louisville, beginning Sunday next.

We are all sorry indeed that our old friend Col. B. W. Scott is lying so dangerously ill, and hope he will soon recover and be among us again.
